2. Kingdom Chronicle: The Secret Place

- You did not heed my voice, My children and I gave you over to the enemy. I encourage you to find your strength in me when you meet me in the secret place where I will deliver you. Submit yourself to me and endure all the many blessings that I have for you. Rejoice, raise a song, and blow the trumpet; and I will remove the burden from your life, and you will experience real love that comes from the throne room of heaven. I will rescue you in times of trouble as you open your heart to me. You will hear the thunder of the waters that comes from the Holy Spirit, and you will experience the sweet honey of delight that comes from your mouth. I will satisfy your every desire if you trust in me. My guidance will be seen, and I will shout aloud during my season of joy and my season of challenge.
