

## KINGDOM CHRONICLES FROM HOUSE OF PRAYER

November 2, 2022

- **Words for Chronicle Titled: “Prayer for Abby Bunton”**
  - **Abby, you will live in the name of Jesus**—3 Visions: 1) electrical eons just sparking everywhere; 2) body parts that came back together; 3) a waterfall. Sense the Lord was saying: she will live and not die. The enemy knows the calling upon her life and is trying to take her out; but he will not be allowed to.
  - **Live—Psalm 118:7**
  - **Cannot be shaken—Psalm 125:1**
  - **Awake and sing—Isaiah 26: 19**
  - **A new song—Psalm 40:1, 9**
  - **I am the Lord your healer—Exodus 15:26**
  - **She will declare His awesomeness to generations—Psalm 145:4-7**—Great is the Lord and greatly to be praised. Abby will praise the works of God to her generation and to the generations to follow. She will declare His awesomeness, and her testimony of His goodness. Grace and mercy will touch many.
  - **Stay focused on God**
  - **Healing in the wings—Malachi 4:2**—We declare that no weapon formed against you shall prosper . And every tongue that has risen up against you, we rebuke those words and cover those words with the blood of Jesus and declare them null and void. We release the healing power of God almighty into that room right now. We say the fire of God come and burn up the hay, wood, and stubble of those negative words spoken over her. We speak life over her. We declare life, and we say, she will rise up with healing in her wings, and leap like calves out of a stall and she will conquer what the enemy has tried to pull her down to. She will rise up above and not be below for she is the daughter of the most-high God; and he watches over her, and he holds her and comforts her. There is no weapon forged against her that the enemy can bring that will stop the Lord from his love for her and bringing healing to her. She will be my voice, says the Lord. She is my voice in this world and in this time and in this hour. She will speak to the doctors, and she will speak to the nurses. She will speak my words that I have placed within her, so that they will see my hand move mightily upon her. For I have placed her in my hand, and I am bringing total restoration to her body. So, watch and see how the miracles happen in that hospital and round about her, for the Son has entered into the room on her behalf. We thank you, Father, that you are the healer, and you are the deliverer. And you are the sanctifier that we will see great and awesome things happen and the praise will go forth from the mouth of those around. Amen.

  - **Better than before**
  - **Enjoy the presence of God—Psalm 125:2**
