- **“Pure Grace” Chronicles:**

- Father, in this moment of affliction against your chosen people, Israel, we speak grace and peace over Jerusalem, knowing how great your glory is in all the earth. In this time, rise up in this time of hardship against your people, Israel, and put their enemies to flight so that they are not able to perform evil against your promised remnant. May your peace and favor be upon them, and do not deny their requests for strength and salvation in this time of trouble. Father, give your people Israel grace to help them in their time of need and cause them to stand and not be afraid because of your promises you made to their father, Abraham.
- Oh Jerusalem, oh Jerusalem, and all of Israel, and those all on the prayer list, we are with you; and we ask for grace and peace that your enemies would be put to flight. That grace and peace would be there in your time of need; that the enemies would not be able to perform evil against you. He has not denied your request. Your strength, refreshing, and salvation is in the Lord. But God, you can trust in him, and you won't be shaken. Do not be afraid. Jesus, thank you.
- Tonight, in this holy place, we decree that grace and peace will manifest in Jerusalem. The glory of God will be supernaturally on display during this time of war in Israel. We release the words into the spiritual realm, “Rise up, my chosen people, and receive your salvation and know your heavenly Father in a personal way. If you will call out to me, I will put your enemy to flight. During these times of turmoil, trust me, you my people, and see that the enemy cannot perform any evil against you because I will give you peace and favor in ways that you can never understand in the natural. I am your Father, and I will not deny your request when you call out to me. Look around my children and know the miracles would not occur, but God. Do not fear as the war continues because your strength and your salvation come from the Lord. Remember my promise to my people, my grace will be all that you need in these times of trouble. I love you saith the Lord to his people.
- Tonight, Lord, we cry out for the nation of Israel. We ask that your great grace and peace would cover Jerusalem and all that region. Because of our great faith in your great glory, we ask that you would rise up and put your might on display. God, please put their enemies to flight, surround them with an invisible shield so the enemy is not able to perform the evil that is set against them. Lord, we decree and declare over Israel the peace and favor that only you can give. Lord, please do not deny their request; but God, answer in your might and power for strength and salvation come only from you. We declare your people will not be afraid; but will totally place their trust in you for your path is true and you never fail. God, give us grace to help in this our time of need. In Jesus' name, amen.

- Grace and peace to Jerusalem, oh Lord, as you pour out your pure grace over all of Israel. His glory is great, so we call for angels to rise up in the midst of the Jews and the Christians to fight on our behalf in the heavenly realm. As the enemy advances in war, we release all of heaven to put them to flight so that they are not able to perform evil against you. We beseech you, Lord, to release your peace and favor over your people in Israel and in America because you have not denied their request. The current state of affairs in Israel and in America is dark and heavy...BUT GOD! We trust you, Lord, and we thank you that strength and salvation come from the Lord as you empower us and move us by the power of your hand. We hear you speaking to us tonight, Lord, as you say, "Do not be afraid because you have my grace to help in time of need." We hear you, and we will not be moved. We exalt you, Lord, in your strength, and we sing and praise your power. In Jesus' name, amen.
- Prophetic word from Dan Hanselman: Psalm 21:7—In all the situations that we go through, if we trust in the Lord and his unfailing love over us, he will not let us be shaken but we will rise up as mighty warriors and we will tear down the strongholds of the enemy. For just as David went out, He never went without inquiring of the Lord. For the Lord gives him the direction. Those that inquire of the Lord will know if they will win or not win; if they will defeat the enemy or not defeat the enemy. If it's timing, it's the Lord's timing, for now is the time to rise up. Now is the time to step out, for I have called you. I have called you. No matter what the situation is that you are facing, I am with you. I will overtake the enemy on your behalf if you trust in me. For I am that I am, your Father, and I will not let you fall. If you trust in me, I will take you through. No matter what the storm is, it will not overtake you. No matter what you are facing, no sickness, disease, or infirmity will overtake you. For I am life, I breathe it into you. I give you; all that you have is from me. All I request is you be obedient to my word. As I say, go here or go there. Speak to this one. Touch this one. I am on your side so do not be afraid, do not shrink back when things start shaking. For I have given you steady feet so that you can walk through the earthquake and not be taken out. I have given you the ability to soar above the storms. So, arise and make your light shine as never before; arise and walk through the midst for I have placed my spirit on you. For you have the anointing of my son for he has given you that authority to go forth in my power and authority. You are my children. You are my kings and priests. So, start acting like my kings and priests and move forward and decree what I have placed within your hearts says the Lord. Amen
