- **“Joy To The World” Chronicles:**

- We decree that greater is he that is in us than he that is in the world, especially during this time of year. We will understand that promise, Lord. We ask that the peace of Jerusalem be prevalent during Christmas and the enemy be driven out of this city. May your angels hover over these cities to bring peace, the peace of God that passes all understanding. As we claim the lineage of David for our land, you hover over all the women that are great with children and let these women honor that wonderful privilege. Let no one witness the emptiness of no room in the inn. During Christmas, the angel of the Lord will appear and show the majesty of God. The glory of the Lord shone around them, God's people, and there is a great feeling of joy and fear not, because the good news is being announced among the nations. What great joy our people have when the word is preached; and peace will be upon all as his favor rest. In such an atmosphere, the angels will rejoice. It will always be a sign to his people that there is peace and joy in his midst. Lord, we will move in haste into your will. In Jesus' name.
- Lord, we decree and declare that greater is he that is within us than he that is within the world. We lift up Bethlehem and Jerusalem before you, Lord, and we pray for peace in those cities and those in the lineage of David. We also pray for peace and safety in the cities in the United States, especially for the children and for those caring children, and those who are homeless and without recourse. And let there be room found for them at the inn. May we in this season see the glory of the Lord in his fullness when the angel of the Lord appeared, and the glory of the Lord shone round about them. Let us not be afraid as we are enveloped in warmth of that glory. Lift up your heads, you people of God. This is the season of good news, even great news, and great joy. May there be peace upon those whom his favor rest, and may we rejoice with the angels. Lord, let us not miss the time of our visitation, let us be as watchmen and move with haste when we know it is time.
- We decree tonight, by the power of your Spirit, that you will grant the peace of Jerusalem this night and the peace of cities will fall from heaven tonight with a resounding gong of

silence and calm. May you bless and multiply the house and the lineage of David and those being great with child. For those who have been told there is no room in the inn, we call forth provision for every need, both physical and spiritual. And as the angel of the Lord appeared to the shepherds, may all of those in need receive a visitation from the Lord. And may New Life Church receive a visitation from your angelic host which will cause us to look back and say “The glory of the Lord shone around them”. We bind the enemy from this season at Christmas and declare to him: do not be around them—His people, which is the people you are drawing. We stand in agreement with the angel of the Lord to fear not; and we receive the good news of great joy deep within our spirits. May the peace upon those whom his favor rest be ignited to join with the angels rejoicing. May the sign to you, his people, be illuminated so that we will move with haste to join with our Father in heaven. Yes and amen.
