- **“Supernatural Shift” Chronicles:**
 - I love you, my children, and I will bring a supernatural shift for your wholeness. The visible will become invisible for I am your strength shield. I will fulfill my purpose for you. So, rise up my sweet ones, and your heart will leap for joy. You will be healed wholeheartedly, and I will bless you as you have blessed others. The shift is coming for you. Love, Jesus, love, the Holy Spirit, and love Papa.
 - We declare in this holy house tonight there will be a supernatural shift into full wholeness for Debbi. The visible affliction becomes invisible as healing enters her body. We hear the shout of the Lord, “I am your strength and your shield, my daughter. Rise up and busy yourself with all I have for you to do, Debbi, as you fulfill my purpose and plan for the kingdom.” Very soon, New Life Church will leap for joy as we wholeheartedly praise our Father for Debbi's testimony. With great anticipation, we wait for the shift in our sanctuary, and we say yes. Here are cries, O Lord.
 - Lord, we lift up all those that are afflicted tonight that they might receive a supernatural shift that will propel them into wholeness because we believe that in the Lord is the fullness of his purpose for them. We declare to those that need healing to rise up. May their hearts leap with joy as they set their faces like flint and remain wholehearted as they press into and receive their healing. The shift is coming. In Jesus' name. Amen.
 - Father, our enemy is always seeking to destroy what you have created. We are asking for a supernatural shift back into wholeness for Debbi in this moment of trial. We reach out to proclaim that that which is visible from a human standpoint would become invisible from a faith standpoint. We decree that you, Father, are Debbi's strength and shield, and you will fulfill your purpose for her life. We believe that she will rise up in victory because of your mighty hand. Father, our hearts leap with joy within us because of your goodness, your mercy, and the hope you have placed before us. We look wholeheartedly toward an expected shift from adversity to a miraculous healing for Debbi in her time of need. Amen.
 - Lord, I surrender my heart, soul, and body to you; and I ask you to release a supernatural shift back into wholeness over every fiber of my being. I ask you to give me eyes to see you move over me and through me as the visible becomes invisible in the natural and the supernatural of my body. I have lived my life knowing and believing that the Lord is my strength and my shield, and I trust him as he feeds me and lifts me up. I declare and agree with the prophetic word that he will fulfill his purpose for me. I speak to my mind, my heart, my spirit, and my body to rise up in you, oh Lord my rock. My heart leaps with joy as I wholeheartedly rejoice with my song of praise to you. I cry unto you, Lord, as I look to you with great anticipation and see the shift is coming for total deliverance and freedom in Christ. In Jesus' name. Amen.

- Prophetic Word from Dan Hanselman: Oh, watch what the Lord does as you submit yourself completely and wholly to what he has given you. For the time is short and it's time that is sprouting up; and those words are not going to be laying dead for long, but they are coming forth with life and power. So, rise up. Rise up. Rise up and run. For I have put within you my breath so that you can run the race and not be defeated. For the enemy will try to stop you in every which way; but he will come up short because I am behind you. I am in front of you, and I am beside you. And I have given you the angels to go forth before you to clear the path, to take down barriers and detours. You will not get lost; but you shall be saved and see my hand move upon you in mighty, powerful ways. So do not succumb to doubt and unbelief. But trust that your prayers are going forth and I am moving on your behalf through these prayers, says the Lord.
