- **“Prayer for Uganda” Chronicles:**
 - Uganda will declare His glory among the nations because they will proclaim the good news of His salvation. The demons will tremble before Him and all the earth. As the fire of God is on an increase the people of Uganda will dig in and it will bring a fall of the demonic powers. As this happens, we will see the Lion coming through the fire. Uganda when you see this, sing your new song to the Lord for the flames shall not consume you. Prepare the trailblazer for this coming of the Lord to Uganda. As this lion is seen coming through the fire, let it be declared that “The Lord Reigns”. Amen
 - May the fall of demonic powers increase. Dig In! Sing your new song unto the Lord for the lion is coming through the fire and the flames shall not consume you. Prepare the trailblazer! Proclaim the good news of the salvations and declare His glory among the nations. Tremble before them all the earth and be a part of the fire.
 - Proclaim the good news of his salvation. Even though fire increase, dig in. Tremble before Him all the earth. Sing your new song to the Lord and the flames shall not consume you. The Lion coming through the fire. Declare His glory among the nations. Ask for the fall of demonic powers to increase. Trailblazer will be prepared while you sing your new song to the Lord. Knowing that at all times, the Lord reigns.
 - Lord, we declare your great glory among the nations, and we proclaim the good news of your salvations to them. We declare all who oppose you will tremble before you with your great name over all the earth. Lord may the fire of revival that has begun in Uganda continue an increase crossing all borders in its path. We say to the people of Uganda “Dig in, hold fast, and rejoice; and the Lord has chosen you to be an epicenter of this great move of the Spirit. Because of your faithfulness, we will see the fall of demonic powers over this part of the earth and the Lion coming through the fire. Uganda, begin to sing aloud your new song that it may be heard over all the earth. Rejoice that the flames of fire shall not consume you. Prepare the trailblazer to clear the way before the Lord as He moves in great power and might. Declare to all who have ears to hear that “The Lord reigns”.
 - Uganda, stop thinking small and prepare to declare His glory among all nations. Wherever you go, proclaim the good news of His salvation; and the people will tremble before Him in all the earth. There is a fire that will increase as you dig in and you will see the fall of demonic powers as the Lion is coming through the fire. You should sing your new song to

the Lord and the flames will not consume you, for God is preparing the trailblazers to carry the message “the Lord reigns.”

- In Ukraine the enemy sent fire on the Lord’s people, and in Uganda you sent your fire back down on to claim those the enemy thought he had claims on. When the Lord’s fire increases, the enemy says the Lion’s bursting forth out from the flames; and he suffered defeat upon defeat, but those proclaiming the good news of their recent salvations, singing their new songs, were not consumed by the flames. Sing a new song. Look and behold what the Lord has done. Look and behold what he is doing now. Look and behold what he is going to do. He is our redeemer. He's the Lord Jesus Christ.
- Uganda declare His glory among all the nations. Sing out a new song to the Lord and proclaim the good news of His salvation. Watch as the enemies tremble before Him all the earth. Fire, would you increase? And Uganda, dig into the feast and the presence of your enemies. The demonic powers will fall as the Lion comes through the fire; but the flames shall not consume you. Prepare the trailblazer for the Lord reigns.
- Lord, I pray right now as I declare your glory among the nations; and I proclaim your good news among the nations that I will tremble and fall before you and all the earth can see the fire that is lit inside of me, and my knowledge will increase as I dig in. I am a witness to the fall of the demonic powers that I know is coming; and scripture says that we should pray like something is already happening. And I can already see a change starting and I pray I can be some part of that change. Lord, the Lion is coming through the fire, and we know that you are standing beside us in that fire, and we are so thankful that we can come through that and escape. We sing a new song to you Lord. A song of hope and a song of restoration and our religion and our culture. Lord, I just pray right now that you will prepare us to blaze a trail through untouched territory. People who have never heard about you, but they have a calling inside of them, their soul, that we can show them the way, the truth, and the life is you. The Lord reigns and I am so thankful that we can sit with you in heavenly places. In the name of Jesus, amen.
- We call for the people of Uganda to declare His glory among the nations and proclaim the good news of His salvation. May the lost people of Uganda tremble before Him all the earth. We pray that a fire of hunger will increase throughout the land of Uganda as your people dig in to intercede for the fall of demonic powers there. May the Lion coming through the fire erupt in majesty as the Christians in Uganda sing your new song to the Lord. And as the fire of your spirit burns throughout Uganda, the Lion will roar the sound of joy and the flames shall not consume you. As you raised up Annie, Lord may you continue to prepare the trailblazers that will run with Annie to help spread your name throughout the land. And we declare, the Lord reigns.
