- **“Fasting & Praying for Israel” Chronicles:**
 - I declare, says the Lord, “The watchmen are in their places. I hear their prayers and will answer them. I will restore Jerusalem and lift-up a standard. They will see their Savior come and be saved. By my hand a book is opened and new names are written. I will redeem Israel. I will remove the stones and lift-up a banner that all nations will see my righteousness. “Behold” says the Lord.
 - Lord God, your people cry out to you tonight, “Lift up a standard!” Raise up your watchmen for such a time as this! Lord, there will be no rest until the restoration of Jerusalem comes and the proclamation, “See your Savior come!” rings through the whole earth. Then all Nations will see your righteousness, and all Israel will be saved. So, clear away the stones! Make their paths straight! The Savior will redeem! He will lift a banner before his people, and the Lord himself will arise over Israel! Open their eyes, God! You have sworn it by your right hand! We decree now that we see a book open in heaven! Behold the greatness of our Lord!
 - Lord, we ask you to lift-up a standard for the people of Israel, as you place key watchmen on the wall who will not keep silent as they intercede for you to restore Jerusalem as a praise in the earth. As a House of Prayer, we declare corporately tonight over Israel, “See your Savior come!” Lord, you have asked us in Isaiah 62 to give you no rest as you move in Israel; and we believe nations will see your righteousness come out of this place and that all Israel will be saved. Clear away the stones, Lord, that stand in the way of your path for Israel; and we believe the Savior will redeem all that has been lost. May the banner for your people be a covering during this time as the Lord will arise over Israel and open Israel’s eyes. The Lord has sworn by His right hand to make you a crown of glory and a royal diadem in the hand of thy God, O Israel. So, may each of you be able to say, “I saw a book opened and behold the Lord received me into salvation and into the redeemed of the Lord.” In Jesus’ name, Amen.
