2. Rumbling of Your Wisdom Chronicle:

- Oh God, we pray for your right hand upon our county. Would your right hand express your loving kindness, and because of your loving kindness, help us to encourage one another in the faith? Dear God, as we stir up our remembrance of You, the creator, by Your spirit help us mediate on Your works. Remind us of Your wonders of old, the works of the Lord as we are reminded that these miracles only come from You. Send it again, oh God. Send it again like a rushing wind. Let us hear the voice of Your thunderings, oh God, of your presence; and we will remember your deeds which will bring us into your wisdom.
