2. We the People Chronicle:

- We thank you Lord, that You do not remember our sins. You have not forgotten Your children, and You remind us daily of Your compassion. We are the sheep of Your pasture. You demonstrate derision to our enemies as we show praise. Your praise will bring the breakthrough. Lord, demonstrate Your power as we humble ourselves. The promise of incorruptible, eternal inheritance is shown in your holy temple faithfully. O how wonderful are Your tender mercies when we give thanks. Compassion comes speedily to Your children. Even when life becomes bittersweet, the Lord still gives us a crown of loving kindness and tender mercy. We the people give you praise.
